HS Trustees become multi-award winning

HS Trustees is delighted to have been awarded the Workplace Savings and Benefits Initiative of the Year for 2026. This award was presented at a gala ceremony on 9th September. It follows HS Trustees first award in February 2026, the Pensions Age Award for Thought Leadership.

Bobby Riddaway, MD and Trustees, commented 'We were delighted this time last year to receive a highly commended in the PMI Pinnacle Award. To follow that up with the Pensions Age award and then this WSB award consolidates our market leading position as one of the most innovative and thought leading independent Trustee firms around.'

It was telling that both of this years' wins came from the work on stewardship for small pension schemes, and our success with Nestle. HS Trustees continues to strive to make the world a better place and help all pension schemes to make the biggest impact that they can.
